NEW SOCIAL DAYS FOR MIGRANTS

Northern Settlement Services Ltd invites people from non-English speaking backgrounds to meet and enjoy time with others. These new social days will be held weekly, on:

Tuesdays at Blue Haven,

Wednesdays at Mangrove Mountain, and

Thursdays at Woy Woy.

This service is for people over 65 years of age, younger with a disability, or carers, and have come to Australia from a non-English speaking country.

These will be fun filled days. People can tell their stories eg about coming to Australia, their first impressions about Australia, etc. There will be guest speakers, picnics, table games to play, and Bocce, and so much more.

Northern Settlement Services Ltd Social Support Project has been operating on the Central Coast for 5 years, and has recently received extra funding from the Ageing, Disability, and HomeCare, Dept of Human Services which funds these new social days for migrants.

**To attend these social days, or for more information, phone
Trudy, 4334 3877.**
