
◆

Need an extra hand to retain independence in your own home?

This service provides Community Aged Care Packages to assist aged people to remain living in their home. An individual package of care is designed specifically to meet the care recipient's needs with all confidentiality assured.

The types of services that you may receive as part of a care package include:-

- | | | |
|------------------------|---------------------------|-----------------------------|
| * personal care | * medication monitoring | * gardening |
| * showering/dressing | * advocacy | * minor home maintenance |
| * meal preparation | * assistance with banking | * respite for primary carer |
| * shopping | * transport | * companionship |
| * housekeeping/laundry | * mobility assistance | * social activities |
| | | * pet care |

Our Aim ~

To provide a flexible, reliable and caring service ensuring all care recipients remain living independently in their own home.

Service Availability ~

This Service is available to all aged community members residing in The Gosford Local Government area; with the approval of the Aged Care Assessment Team and the availability of a CACP in this region.

Eligibility ~

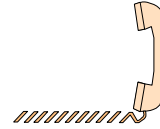

To be eligible to receive a Community Aged Care Package your needs must first be assessed by the Central Coast Aged Care Assessment Team. The ACAT team will determine whether a care package is suitable to meet your needs or if another Service would be more appropriate.

Fees ~

Agreeable fortnightly rate decided upon by the Client and the Manager (based on 17.5% of the current Aged Pension) - cheques payable to PCC or Peninsula Community Centre Inc.
